

Opportunities To Serve

If you'd like to get involved at St John's, here are some ways you can serve and be part of what God is doing

Mission Review Working Group

10% of our gifted income we give to support other missions both locally and abroad. Some have historic and personal connections with the church community, but there is room for new ideas. We have run a 3 year cycle of giving and need to review who we give to by asking the church to nominate Christian charities that we might give to in the next cycle. We also want to reimagine how we turn these donations into relationships and partnerships and integrate them deeply into the life of the church. Both big picture dreamers and detailed organisers needed!!

Reporting to Vicar/PCC

Commitment: 4/6 meetings, researching charities or mission organisations, presenting to church and PCC by September
